

FOR SALE

Sunbeam Alpine Series V - 1967 Convertible in Polar White. Featured on the front cover of April 2011 Horn (no 211)

81,000 miles, and professionally maintained. Home garaged by current owner of 14 years. Mot until July 2108; no advisories. Two previous owners; the last one for 26 years (a garage mechanic), and the first owner is in the original log book.

Unmodified, apart from indicator flashers, stainless steel exhaust, new boot lock and electric fan. Original interior, including rubber matting; the driver's side ideally needs replacing, as does the gearbox cover carpet. Alternatively, replace foot-wells and gearbox tunnel, with the same new carpet. The price reflects this.

Comes with a selection of spares and catalogue, original and newer tonneau covers, plus indoor and outdoor car covers. Also available are, workshop and owners' manuals, and some members' club magazines.

Price: £14,500
